< Guidelines for preparing the Poster >

Please check the following guidelines for preparing your poster.

- Posters must be displayed on a board measuring 90 cm wide by 210 cm high.
- The secretariat will affix the “Presentation Number” in a 20 cm × 20 cm area in the upper left corner of the board.
- Please write “Presentation Title, Presenter Name, and Affiliation” to the right of the presentation number (70 cm wide × 20 cm high).
- Please write “Presentation Content” below the presentation number and the “Presentation Title, Presenter Name, and Affiliation” (90 cm wide × 190 cm high).

*There are no restrictions on font type.

*If the text extends all the way to the bottom of the board, it may be difficult to read; therefore, we recommend leaving a space of about 30 cm at the bottom.

[Disclosure of Conflicts of Interest (COI)]

Presenters are requested to disclose their COI status for the past three years, regardless of whether a conflict exists, at the time of abstract submission.

For oral presentations, please include this disclosure at the beginning of your presentation slides; for poster presentations, please include it at the bottom of your poster.
